REVIEW YOUR ORDER
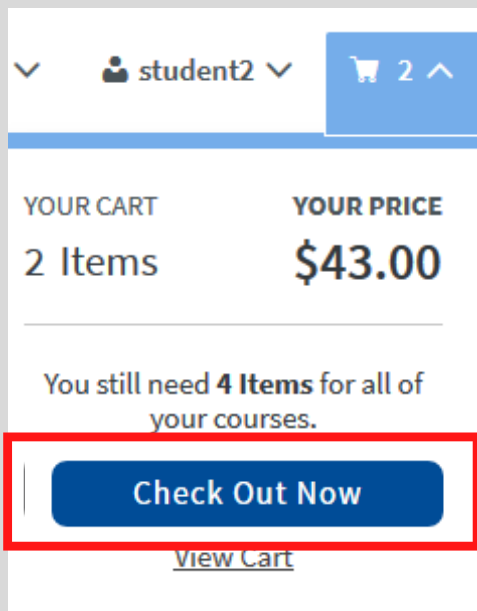

After selecting all of the course materials you want to order, click the cart icon on the top right of the screen and then click "Check out Now." Review your order.

Tip: Ordering early gives you the best chance of finding the most affordable options.

The home address that your school has on file will auto-populate. You can also add a new address if you would like to deliver to another location, like an off-campus residence.

Choose the shipping method for each of your textbooks. Please note, Marketplace items do not qualify for free shipping. Click "Continue."
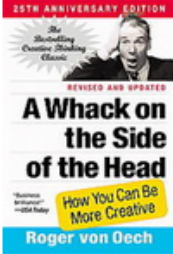

Tip: Select products qualify for free shipping offers when your order is over $49.

The Online Bookstore accepts debit, credit, and prepaid cards as well as PayPal, Google Pay, and Apple Pay.

If you use a gift certificate (nyit.textbookx.com/giftcards) add it to the "Add a School Voucher or Gift Code" box. If there is a remaining balance after applying financial aid or gift cards, enter another form of payment.

After completing the billing information, click "Submit Order" and an order confirmation email will be sent to your school email account.

Tip: If you rent a textbook, you will need to enter a credit card number to ensure its return.

If you order a digital product (access code or eBook) you will receive an email within a few hours of your order with access instructions.
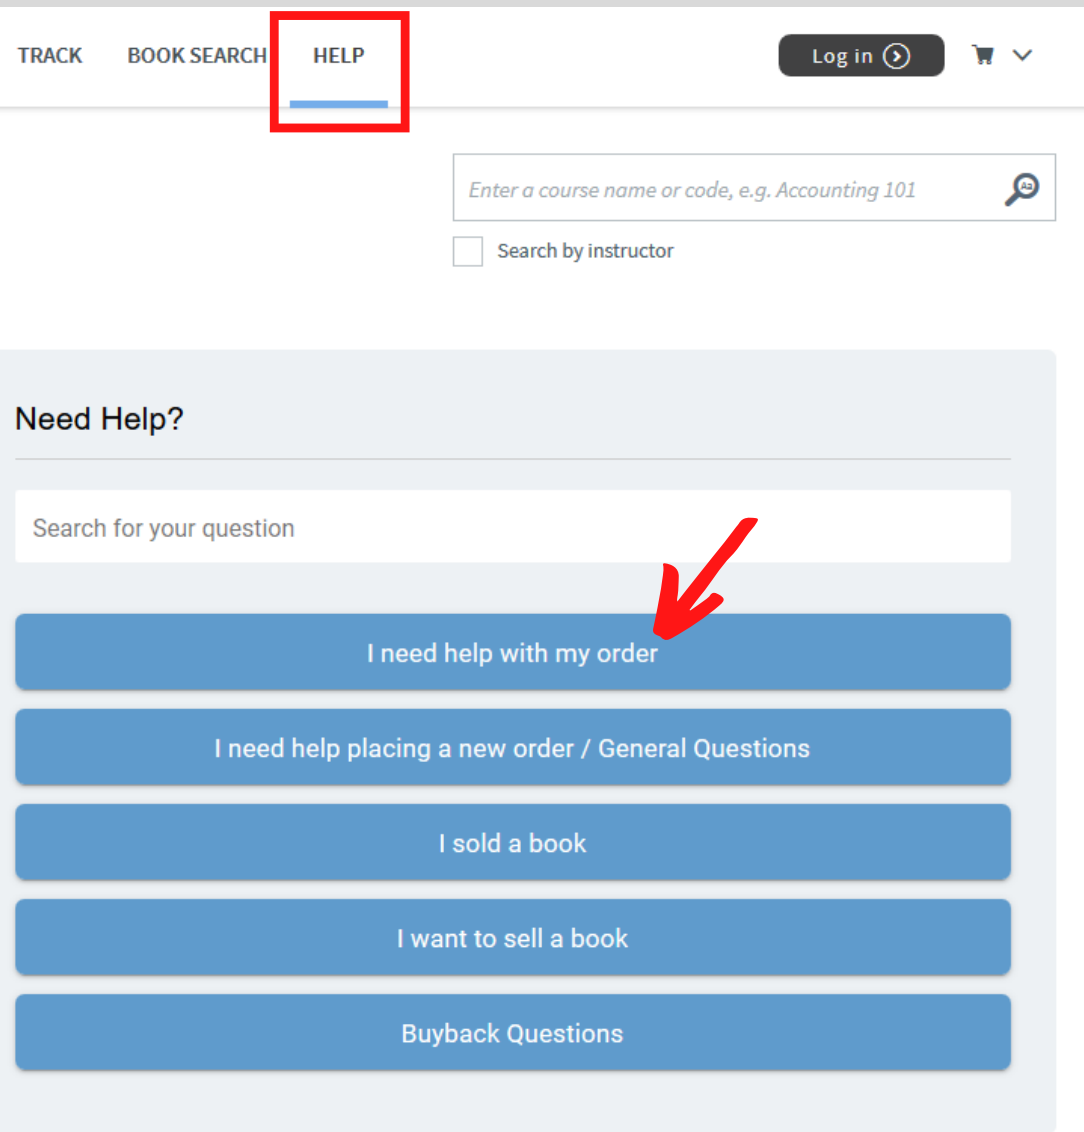

The access information will also be located in your bookstore account under **eLibrary**.

*While most digital courseware access is emailed, some, depending on the publisher, are physically mailed. Check your confirmation email for details, or log into your bookstore account and review your "Purchases" page for access codes or tracking details.
